

UK-Spain Bilateral Seminar on Innovation in Health

Date: Valencia, 9th February 2018

Place: Auditorium of Instituto de Investigación Sanitaria La Fe - Hospital Universitario y Politécnico La Fe. Avda. Fernando Abril Martorell, 106 - Torre A Planta Baja. 46026 Valencia (Spain).

Organised by: British Embassy Madrid (Department for International Trade and UK Science and Innovation Network) and Instituto de Investigación Sanitaria Hospital La Fe (IIS La Fe).

Collaborators: Lanzadera, FENIN, FIPSE, BIOVAL, Las Naves, European Health Projects Office Valencia Region (OPESVAL).

Objectives:

The UK-Spain Bilateral Seminar on *Innovation in Health* aims to identify synergies between the UK and Spanish health systems. This seminar will focus on models of innovation, research and international trade and investment, creating new Foreign Direct Investments (FDI) leads and solidifying current contacts in the region of Valencia, strengthening R&D partnerships, showcasing the UK's innovative ecosystem in health, learning about the strengths and opportunities in the Region of Valencia.

UK and Spanish researchers, companies and entrepreneurs will be able to hold previously defined bilateral meetings with the UK partners including the Department for International Trade (DIT), Stratified Medicine Scotland Innovation Centre, Babylon Healthcare and the Bevan Commission, as well as the Spanish partners, IIS La Fe, Lanzadera, Quibim and FENIN.
